Campbell Legionnaires Install Ed Lee As Post Commander; Legion Hall Plans Exhibited By Mrs. S. N. Hedegard

Ed Lee was installed as commander of American Legion Post 596 of Campbell, at the post's regular meeting Wednesday night in the IOOF Hall. The colorful 40 et 8 ritual team, including Chef de Gare V. Sikes, Thirteenth District Commander Herman Newman and County Council Commander Clay Sheets, was the installing team.

Other new officers of the post are: Maurice Burke, adjutant; Glen Knowles, first vice-commander; Z. D. Tennison, second vice-commander; Tom Boyle, finance officer; John Burda, sergeant-at-arms; Jake Klassen, assistant sergeant-at-arms; Harold Strickland, historian; Herbert Myring, chaplain; Guy Smith, service officer.

Members of the executive committee are Guy Smith, Rex Kaber and Frank Johnson.

Retiring commander Leo Park was presented the past commander's pin with jewel.

Members learned that Guy W. Smith, post member, was elected correspondent of Santa Clara County Voiture 365, 40 et 8, at the county meeting June 22. He, together with other officers of the voiture, will be installed July 17 at El Morocco Restaurant on El Camino Real.

Five delegates and five alternates will be elected next month to represent the post at the state Legion convention scheduled August 13 to 16 in Sacramento. The 40 et 8 convention will precede this gathering during August 11 to 13.

Los Angeles is to be the scene of the national Legion convention later this year.

Proposed plans for the future Campbell American Legion Hall were exhibited at the meeting Wednesday night by Mrs. S. N. Hedegard, building committee chairman, who explained the plans in detail.

Warren Thorpe Chosen Top Cadet; Receives Saber

Warren Thorpe of Campbell has been chosen to receive the highest award possible for a California Cadet Corps member to attain. The son of Mr. and Mrs. Harry W. Thorpe of Allendale Avenue, was awarded the General Joseph Stilwell Saber this week during the annual state cadet encampment at San Luis Obispo, where he holds the rank of second lieutenant.

Thorpe, who graduated this month from Campbell High School, has been awarded a scholarship to Brown Military Academy Junior College at San Diego. Upon completion of his studies there, he will enter the U. S. Army and hopes to start his career as an army band leader.

He served as adjutant for the high school cadet corps and played the trumpet in the corps band. Thorpe, who studied for nine years under Melio M. Mayo, well-known bay area conductor, played in the Campbell Elementary School band as well.

Award of the saber means that Thorpe has been chosen the best cadet in the state of California. It was presented by Mrs. Tondro, president of the Reserve Officers Auxiliary. The first saber was presented two years ago to the state's top cadet by Mrs. Joseph Stillwell, widow of the famed general.

Selection for this honor is based on knowledge and use of military proficiency, scholarship, leadership, athletic achievement and extra-curricular activities.

JAYCEES PLAN DINNER PARTY

A potluck supper for Campbell Junior Chamber of Commerce members, their wives and guests, was announced at the regular JC meeting Wednesday night. The event is scheduled for Wednesday, July 5, and will be held in the Country Women's clubroom. There will be an entertainment program.

Incoming president Frank Pierson outlined the Junior Chamber program for the coming year, including the September dance, October whist party, second annual benefit whist party in November, and second annual kids' party in December. The group will participate in the annual community observance on Old Settlers' Day in February.

Winners of the JC-sponsored trade-in-Campbell slogan contest probably will be announced next week.

Emerson Arends Tells Rotary About Speech Defects

Speech defects, their cause and correction, was the topic of an address given before the Campbell Rotary Club Monday by Rotarian Emerson Arends Jr., who majored in speech correction studies while at San Jose State College. Attorney Norman Stoner was the program chairman.

Clinical psychology and its offshoot, speech therapy are the major means employed to correct speech defects in individuals, Arends told Rotarians. Defects may be caused by some physical injury to some part of the body, cleft palate, harelip, cerebral palsy, spastic paralysis or other injury.

Generally the defects may be classed as psychogenic, physiogenic or functional disorders. Other factors contributing to speech difficulties are colloquialisms, such as Brooklynese, and aphasia--the inability to say the word which the individual is thinking of.

Arends said that the hiring of speech correctionists for school districts in this state is partially financed by the state and partially by the districts. Campbell's staff is too small to meet the needs of this district. Children in the public schools who suffer from speech difficulties attend weekly classes at which they receive tutelage on correction of the defects, but due to the small staff and large number needing attention, individaul instruction is out of the question.

During the meeting, Ed Hubert introduced his guest, Mr. Fitz Lee of Idaho. Resignation of Harry Algar was accepted with regret, and Elvan A. Hansell, superintendent of Hunt's Foods plant in Campbell, was welcomed as a new member.

New officers will be introduced at the meeting next Monday noon. There will be no noon meeting on Monday, July 10. Instead, there will be a club assembly that evening.

Richfield Oil Co. Buys Smith Lot

The Richfield Oil Company purchased the corner lot on S. Winchester and Rincon Avenues earlier this month.

Sellers are Mr. and Mrs. Howard J. Smith of Campbell.

Theer is a possibility that a company gas station may be built on the site.

Judge Avilla Signs Bradley Judgment; Voids Annexation

Judge Leonard R. Avilla wrote finis to the Bradley Manor annexation election yesterday at 4:45 p.m. when he signed the final judgment ruling out the election as invalid, then sent the papers down to be filed.

Attorney John M. Burnett representing the opponents to the election, wrote the findings and judgment.

Next step is up to the proponents who seek annexation of Bradley Manor to San Jose.

Last April 7 Judge Avilla ruled the February 23 annexation election was celled illegally and that its results were null and void. San Jose City Council, he ruled, exceeded its privilege in determining on its own the sufficiency of a petition against the annexation, stating that the council must hold a public hearing and hear and pass upon all protests made according to rules laid down by the Supreme Court. Referring to the council's action in deleting names of certain property owners, the jurist wrote that the council must presume such a petition to be valid on its face and the signers thereon properly qualified.

Duster Pilot Crashes Today In Campbell Orchard

Gordon St. John, Cambrian Gardens pilot, sustained a sprained ankle and minor abrasions when his duster airplane crashed this morning while dusting the orchards of Mr. and Mrs. A. M. Millich of Lewellen Avenue.

St. John was taken to the County Emergency Hospital for treatment.

The single-seated Stinson L-5 had completed one run on the orchard and was making a turn when it suddenly spun earthward. As the plane struck the ground it burst into flames, ruining three trees in the adjacent Orlando and Payne orchards.

The Santa Clara fire department quickly sped to the scene, preventing further damage to the crop.

According to the Clevenger Aero Service, San Jose, owners of the plane, the Stinson, dusting equipment, and burned property will be covered by insurance.

In struggling to free himself from the wreckage, St. John twisted a pinned ankle, while kicking the door open.

He was at a loss to explain the mechanical fault causing the accident.

To Speak Here

California Institute of Social Welfare will meet Wednesday, July 12 at 1 p.m. at the Campbell IOOF Hall. Mrs. Myrtle Williams will speak. J. S. Chandler, chairman of the group, has invited all who are interested to attend.

NED GAULT REPRESENTS CAMPBELL AT NATIONAL BOY SCOUT JAMBOREE

Ned Gault, 14-year-old Campbell Boy Scout, is one of the 19 Scouts and their leaders from the Santa Clara County Council that are in Valley Forge, Pa. for the Second National Boy Scout Jamboree.

A member of the San Tomas Troop 30, he left Oakland by special train last Friday along with some 300 Scouts from the Bay Area.

In all, approximately 47,000 Boy Scouts will be at the Jamboree today when they are officially welcomed by President Harry Truman, Honorary President of the Boy Scouts of America.

Ned was chosen via a mass troop election as the scout to represent the San Tomas aggregation. The trip totaling a cost of $365, was underwritten by the San Tomas Men's Club, the PTA and the Improvement Club. He was chosen for his contributions to Scouting and his Scouting achievements.

During the week, special activities and demonstrations as well as regular camp cookery will occupy the Scouts' time. All meals will be prepared by the boys in their own camp (one camp site per troop) using charcoal cooking stoves.

Special educational tours will be arranged to points of interest including a tour of Philadelphia.

On the morning of July 7, the local contingent will entrain on its way home with visits to New York City, Rochester, Minneapolis, Glacier National Park, Seattle and Portland. They are scheduled to arrive in San Francisco, July 17.

Kiwanis Club To Meet Wednesday In Mountain View

A film showing the progress of America and the many freedoms enjoyed daily was shown to the Kiwanis Club Tuesday by Bill Williamson, of the Jack Hutchins company, dealers in Dodge-Plymouth cars.

The feature portrayed the many privileges at the disposal of Americans and the inventions and progress of U. S. industry.

Arthur Mayo acted as chairman for the day. William Henley, back from a brief vacation, presided over the program.

There will be no meeting Tuesday due to the holiday. But the club will sojourn to Mountain View to hold a joint meeting with the Kiwanians of that town the folowing day.

Tuesday's gathering was graced by the following visitors: Arno Bachrodt, James DeVoss and Jack O'Keefe from San Jose.

Allocation Meeting Postponed

Editorial

Interest alone cannot keep a vital project alive, it must have constant support. Those who receive definite returns from the project, in enjoyment or experience, should realize that they, too, owe something in return. We refer to those who attend the games of the Campbell Softball League on the lighted field at Campbell Elementary School. The attendance at these games is good, but the contributions made by those attending is too small to cover the nightly expense of $14 to keep those lights going.

It takes electricity to keep those lights turned on, and money buys that electricity. Seven nights each week of the season, five of them for scheduled games and two for open play, the hat is passed among the crowds who attend and enjoy these softball games. There is no charge, but those present are given the opportunity to support this recreation project. Each time, the hat brings in far less than the small amount of $14 per night needed to meet expenses.

This field lighting, for which so much effort and so much money was contributed last year toward the installation, has been a definite improvement for the area. It has offered many residents, young and old, the opportunity to attend sports events at little or no cost. The Business and Professional Women's Club which sponsored the project, and all those who contributed toward its realization, intended that field for the benefit and enjoyment of all in the community, and a great many residents do use it.

If they expect to continue to use it, then those who enjoy the events at the field must be willing to contribute some small amount towards its upkeep and operation.

If everyone who attends those nightly softball games would contribute 25 cents, a small amount for so great a return, there would be enough money on hand to meet the bills and gradually erase the debit which has accumulated since the first softball season was launched this year. That is a small amount compared to the admission prices for similar league games at other fields.

Let's show that willing, voluntary contributions are more than enough to keep that field going in the future, to provide continued enjoyment for everyone and to offer a worthwhile adult recreation for those in the community.

Press Erred; Ethan Lanphear Elected To Continue In Post Of Local Constable

The Campbell Press walked out on a limb and then cut off the wrong end of it. The figures we were standing behind had holes in them—holes just about big enough for us to crawl through. The figures we totalled and checked again and again came out in favor of Jack Chappell for constable. The figures were wrong. They should have read Ethan E. Lanphear, incumbent, re-elected constable of the Campbell Township.

The figures which the Campbell Press collected from each precinct of the township were the figures listed on the duplicate precinct sheets at each precinct, BUT one of these duplicate sheets, Hamilton No. 3, held the incorrect figures. It read Chappell, 188, Lanphear, 106. It should have read Chappell, 88, Lanphear 106. Again, on Campbell Precinct No. 9, the figures were switched somewhere between the time they were copied from that sheet and the time they were printed in the paper. Thus, Lanphear actually received 107 to Chappell's 46 from that precinct, instead of the reverse as the Press carried it.

As to how County Clerk E. T. McGehee remembered Chappell's name on the eelction certificate when Lanphear's name must have been on it, that's one question for which we don't have an answer.

So—the final figures are: Lanphear, 1099; Chappell, 969. Mr. Lanphear has been re-elected.

Our apologies to both men. The Campbell Press did its best, but we'll do better next election.

U. S. MATTRESS TO OPEN BRANCH IN CAMPBELL

U. S. Mattress Company, fast-growing Santa Clara Valley concern, plans to open a sales floor in Campbell, Ed Friedman, owner, announced this week. He said he hopes to be showing the company's products here by next Thursday in a shop leased in Virginia City Shopping Center from Frank Martorano.

"Due to the rapidly increasing population in the Campbell district, we are opening the sales floor to let the residents see for themselves the fine quality mattresses of all types, as well as box springs, which our company produces," Friedman explained. His firm is branching out into stores in other townships of the valley, and Los Gatos may be the next to welcome a branch of the company.

Friedman promised quite a saving between the factory and the retail price for customers of the new Campbell sales outlet. "Customers may order mattresses to their own specifications without additional cost. We specialize in long mattresses for tall people, and at great savings."

A staff of 29 persons is employed at the firm's large factory, 2307-09 Stevens Creek Road, where there is also a large sales floor. The company has been in operation for the past 15 years.

BLOOD BANK

Twenty-four pints of blood were donated by Campbell residents Monday when the Regional Blood Center's Mobile Unit made its periodical visit.

The unit was situated at the Methodist Church Parish House.

West Valley Hospital District's Fund Application To Be Reviewed At Health Department Confab July 24

Review of the West Valley Hospital District's request for immediate state and federal financial aid was postponed by the California Department of Public Health last Friday, pending Congressional action on appropriation of $150,000,000 in federal funds for hospital aid.

Together with other applications submitted by various hospital institutions throughout the state, the local request must await the new allocation meeting date scheduled by the Public Health Department for July 24.

West Valley Hospital District president Herbert M. Shadle of Campbell received a letter this week from Larue Sorensen, board planning consultant in Sacramento, stating that the postponement was due to the fact that the revised priority list of all potential projects has not been completed; also, that while the $150,000,000 in federal funds have been allocated, Congress has yet to make the actual appropriation. "It is the belief of the State Health Department that this appropriation will be made in time for California's portion to be disbursed by July 24," Sorensen worte.

"All projects which have applied for state and federal financial assistance for hospital construction and equipment will be reviewed on July 24," the consultant assured Shadle.

Earlier this month the local district received word from Sorensen that the 1950 supplement to the application, previously filed for Federal-State building money, had been delivered to the State Department of Public Health.

The local district is high on the list of potential aid recipients, and the district's board has revised its application to show that the district's need is so great that it warrants assistance this year. Unprecedented growth of the Santa Clara Valley population has created a critical shortage of hospital beds, and the existing number of beds is far below the safe minimum recommended by the health department.

Although the state recommends a ratio of four beds per 1000 population, the board, in May, 1949, requested assistance on a ratio of less than 2½ beds per 1000 population (then 45,000) since it felt that the 4-1000 ratio would be too great a financial strain on the district. Since then the population has increased to 55,000.

The board has requested assistance in providing a 50-bed hospital for the present population, after careful study of the district, though explaining in its request that it alone can show a gross need for 220 beds.

Local Hatchery Does Big Business In Philippines

Poultry consumers in the Philipines can give a large measure of their thanks for the fine quality of their stock to a Campbell poultry producer, Bert Burda of the Campbell Hatchery on Winchester Road.

For the past two years, Burda has been shipping large numbers of day-old chicks for breeding purposes to large breeding firms in Manila. Burda's dealings with this far Pacific outlet began when the breeders in Manila followed up his ads in farm magazines which had reached their hands. Now, during the spring months, he ships about 1000 to 1500 day-old chicks by fast air clipper nearly every week to Manila. No feeding enroute is required, for the chicks take off via passenger clipper from San Francisco, arriving two days later in the islands. Until the last few shipments, the planes flew direct to Honolulu, then to Manila. Recently the planes have been making another stop at Los Angeles.

Although other breeders ship to Manila, Burda believes his chicks constitute the greater percentage received by the islanders, and the volume of this portion of his own business now amounts to about between 20 and 30 percent. Principal customer is the University of Manila, although other large breeders order considerable quantities of the chicks.

Later when present restrictions limiting shipments to essential items are lifted, Burda hopes to have his own special type of chicken houses built over there for his customers.

SMITHS AWAIT VISITORS

The arrival of their son and his family is eagerly awaited by Mr. and Mrs. Howard J. Smith. Their son, Jack, is flying in from Bristol, Pa. the 3rd of July with his wife and three-year-old son, Kenny. The yougster's grandparents have yet to see him. So the anticipation is justified. Jack has not been back to Campbell since 1946. The visitors are expected to remain for three weeks.

Legion, Rutherford Rezoning Petitions To Receive First Public Hearings July 5

Applications of a Campbell mortician and the Campbell Legion Post for rezoning of properties at Latimer Avenue and Winchester Road will be given hearings before the Santa Clara County Planning Commission on Wednesday, July 5, and Wednesday, August 2.

American Legion Post 596 of Campbell asks rezoning of its lot on Latimer Avenue just off Winchester Road to an R-4 or apartment house classification. Request is limited to the one lot owned by the post which plans to erect a meeting hall at the location.

David F. Rutherford, Campbell Funeral home director, is requesting a light commercial, C-1, zoning for his lot on the corner of Winchester Road and Latimer Avenue. Both hearings are set for the same dates and hour, according to the commission.

The Legion post has asked that a confusion arising from the proximity of the two lots covered by the petitions be clarified: the Legion lot is the only one which would be rezoned to the apartment house classiffcation which also covers meeting halls for such groups as the Legion.

Rutherford's is a separate request and requires a different classification, light commercial, since he plans to establish a business—his mortuary—on the property. The present location of the Rutherford Funeral Home on Winchester Road, nearby, is sought by the Campbell High School district for expansion purposes.

Those in the neighborhood seeking information on the two applications should attend the two public hearings which have been scheduled by the Planning Commission.

PO BOX RENTS INCREASE AS RATING CHANGES

Campbell Post Office officially becomes a first cass post office as of tomorrow, July 1, Postmaster Ira H. Grim announced today. The post office has achieved the annual business volume of $40,000 required for first class rating. The 1950 business volume is expected to reach $45,000.

Grim also announced a change of hours for the money order window which will be open from 9 a.m. to 5 p.m., instead of the former hours, 8 a.m. to 6 p.m. Other windows will remain open until 6 p.m.

Post office box rentals have been advanced, effective July 1, as follows: 60 cent boxes now 75 cents; 75 cent boxes now $1.00; $1.00 boxes now $1.50; $1.50 boxes now $2.00.

Veryl Logan Married To Denis Craig In Ceremony At St. Joseph's Church

Miss Veryl Dolores Logan, who is a graduate of Campbell High School, became the bride of Denis Andrew Craig in a wedding ceremony performed recently at St. Joseph's Church, San Jose, by the Rev. Joseph Dondero. White gladioli and greenery were used in the floral arrangements for the wedding.

Mr. Joseph P. Logan of San Jose gave his daughter in marriage. She wore white chantilly lace over satin, styled with scalloped neckline, long pointed lace sleeves and hoop skirt with train. A crown of silk and lace held her fingertip veil and she carried a shower bouquet of white bouvardia centered by a white orchid.

Miss Doris Bowen, maid of honor, was in orchid net over taffeta, and carried a bouquet of green carnations. Her headpiece was also of green carnations.

Bridesmaids Miss Erma Gomes and Miss Beverly Wirz were gowned alike in nile green net over taffeta. Both wore headpieces of orchid carnations and carried matching bouquets.

Robert Schutte was the best man. Ushers were Antony Oliver and Earl Tiernan.

The reception was held in San Jose at O'Brien's. Two hundred guests attended. The three-tiered wedding cake was surrounded by white gladioli and stock.

The new Mrs. Craig chose a going-away ensemble of navy blue gabardine, navy blue and pink accessories and an orchid corsage. She is the daughter of Mr. and Mrs. Joseph P. Logan of San Jose, a graduate of Campbell High and a member of Kappa Rho Sigma Sorority, Sub-Deb Society, Theta Rho and Quid Novi Club.

Her husband is the son of Mr. and Mrs. Andrew Zweibohmer of Ossion, Iowa. He attended Iowa Schools.

the couple are making their home in San oJse.

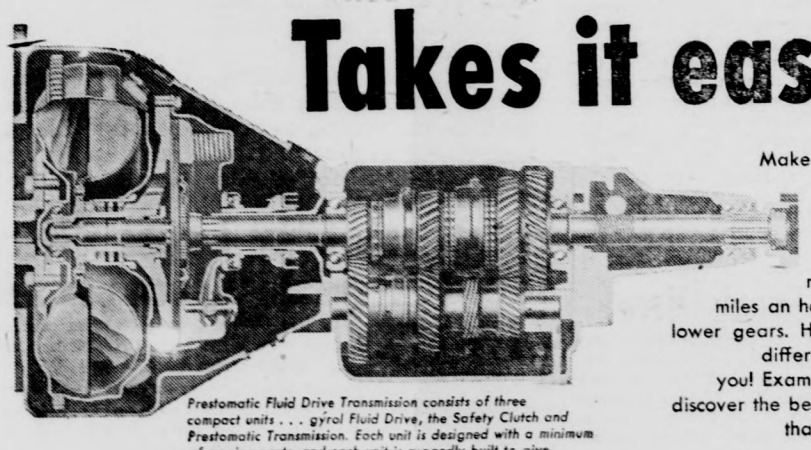
RACHELS

Takes it easy all the time!



Prestomatic Fluid Drive Transmission consists of three compact units . . . gyrol Fluid Drive, the Safety Clutch and Prestomatic Transmission. Each unit is designed with a minimum of moving parts, and each unit is ruggedly built to give trouble-free service for the lifetime of the car.

Make no mistake! Although most cars use the Fluid Drive principle that Chrysler first introduced 12 years ago—there's an all-important difference in automatic gear shifting today! Chrysler and only Chrysler gives you *full* control of your car. While others shift you up and down—even when you don't want to shift—Chrysler's simple, cool-running transmission takes its orders from you. Even at 12 miles an hour, in slow moving traffic, you're in high while others shift down to lower gears. How much quieter your engine runs! How much more smoothly! What a difference in high-gear economy! Come see what Fluid Drive does for you! Examine Chrysler workmanship . . . compare the quality of materials . . . discover the benefits of Chrysler engineering! You'll find built-in *value all the way through* that has no equal! Extra money's worth, we're sure, that will make you a Chrysler buyer for life!

THE NEW YORKER 4-DOOR SEDAN

See it—drive it . . . there's built-in value all the way through!

Advantages of Chrysler's Fluid Drive	*Automatic Gear Shifting*—with full control of your car! *Better traction*—safer on slippery roads. *Convenience of clutch* for easier parking. *Slower Engine Speeds*—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.
Advantages of Chrysler's High Compression Spitfire Engine!	*Waterproof Ignition*—prevents stalling in rain or high water! *Lubrited Cylinder Walls*—chemical protection for increased life. *Floating Power*—helps eliminate vibration. *Superfinished Parts*—reduce friction, last longer. *Exhaust Valve Seat Inserts*—reduce need for valve grinding! *Full Flow Oil Filter*—keeps oil clean!
Chrysler's Advantages in Comfort and Safety	*Functional Design*—full room for your head, legs, shoulders. Easy to enter and leave! *Safe Guard Hydraulic Brakes*—smoother stops, less pedal pressure. Cyclebonded linings for double the wear. *Electrically Operated Windshield Wiper*—constant speed all the time! *Chair Height Seats*—no crouching, you sit naturally! *Safety Rim Wheels*—won't throw tires after blowouts at normal speeds.

LOCAL GIRLS IN QUEEN CONTEST FOR JAMBOREE

Thursday, July 20, will be Campbell-Cupertino Day at the the Beverly-Burbank Jamboree which opens for a six-day run on Tuesday, July 18. Laurance J. Hill, principal of Campbell Union High School, and William C. Henley, district superintendent of the Campbell Union Elementary School District will be among the Campbell civic and business leaders who will be honored at the Jamboree stage show on that evening.

Other communities to be honored during the Jamboree include Santa Clara and Sunnyvale on July 18; Los Gatos and Saratoga on July 19; San Jose on July 21; Beverly-Burbank on July 22; and San Francisco on July 23.

Wade Brummal, executive secretary of the Jamboree, pointed out that San Franciscao was being honored on Sunday because more than 1000 San Franciscans would be among those marching in the mammoth Jamboree parade which will include more than forty San Francisco drill teams, drum corps, drum and bugle corps and bands. In addition, Mayor Elmer Robinson, Herb Caen and Armand Girard will be among the prominent San Franciscans in attendance.

Two Campbell High School students are among the first fourteen entrants in the Miss Santa Clara County queen contest. They are Louise Tinsley, of 541 Flagg Avenue, and Gwendolyn Larson, 17 years old, of Route 1, box 789.

Any young lady between 17 and 30, who is single and a six-months resident of the county is eligible to enter the queen contest and may secure entry blanks and information by calling AX 6-4318 or CY 2-0850 or visiting the Jamboree headquarters, 1820 West San Carlos. There is a $200 cash first prize, $100 second and $50 third, besides trophies, watches and merchandise gifts.

Mission San Rafael Archangel in Marin county was founded in 1817.

JEAN M. BAIRD BETROTHED TO LOS GATAN

Betrothal of Miss Jean Miriam Baird, Campbell High School alumna, to James A. Powell of Los Gatos, was revealed this month by her parents, Mr. and Mrs. Douglas A. Baird of San Jose. A fall wedding is planned.

Miss Baird attended the University of California at Berkeley. where she was affiliated with Delta Zeta sorority, and is now a kindergarten teacher in the Berkeley public school system.

The future bridegroom is the son of Mrs. W. J. Newell and the late James Alfred Powell. He is a graduate of Los Gatos High School, and attended the University of California at Berkeley. He was graduated from the U. S. Maritime Academy, Alameda, and is captain of the Northwestern Victory for Victory Carriers, Inc. He is the brother of Mrs. Viggo Haugaard and Mrs. Glenn Mitchell of San Jose.

A degree of Bachelor of Electrical Engineering was awarded EUGENE WESLEY GREEN, Monday, June 12, by the Georgia Institute of Technology at Atlanta, Georgia. Mr. Green is the son of MR. & MRS. GEORGE GREEN, 141 E. Casey Road. The former Campbell man is already working as a safety electrical engineer for the American Mutual Liability Insurance Company in Georgia. A native of Littleton, Colorado, he is a graduate of Cambrian Elementary School and Campbell High School. He had attended San Jose State College for half a year when he entered the U. S. Army Signal Corps. in June, 1942. He held the rating of staff sergeant. His 39 months of wartime service were spent in Germany, Italy, Austria and England. Mr. Green attended Midland Radio and Television School at Athens, Georgia. He and his wife make their home in Decatur, Georgia. A brother, WILLIS "Bill" GREEN, is program manager for radio station KWIE at Kennewick, Washington.

OES Star Circle Gets Ready For Annual Sale

Potluck dinner and barbecued hot dogs were served to members of Campbell Eastern Star Circle Thursday in the lovely yard of the home of Marie Suess. Co-hostesses for the June 23 gathering were Mae Hardtke, Marie Hendricks, Lillian Agostinho and Marie Peterson.

President-elect Ella Elkey conducted the regular business meeting at which the circle's next program, the annual fall rummage sale, was discussed. The sale will be held in the IOOF Hall in August. Another coming event will be the Star Point dinner planned for August 18 in the hall. Anyone with Masonic affiliations is invited to attend the turkey dinner.

Betty Gerlach will entertain the members at a potluck supper and swimming party at her home, 149 N. Winchester Road, on August 25.

Those present at the meeting last week were Cora Kaufman, Mae Hartwell, Ida Currie, Luella Ryan, Grace Coombs, Virginia Currie, deputy for district 40; Clara Baldwin, Lilliam M. Leszar, Mae Hardtke, Georgia Daugherty, Idabell Kessell, Juanita Stearns, Marjorie Mitchell, Eliza Jeffers, Francis Swane, Elena Robinson, Claudine Hancock, Jacqueline Hartman, Billie Welch, Sarah De Selle, Helen Givens, Margaret Parr, Marie Thompson, Ella Elkey, Marie Hendrichs, Mary Blair and Marie Peterson.

CHRISTIAN SCIENCE LESSON-SERMON

A Lesson-Sermon will be read in Christian Science churches on Sunday, July 2, on the subject "God," with the Golden Text taken from Psalms: "Exalt the Lord our God, and worship at his holy hill; for the Lord our God is holy" (99:9).

Included in the citations comprising the sermon, chosen from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will be the following:

Ephesians: "hTere is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all" (4:4-6).

Science and Health: "One infinite God, good, unifies men and nations; constitutes the brotherhood of man; ends wars; fulfils the Scripture, 'Love thy neighbor as thyself;' annihilates pagan and Christian idolatry,— whatever is wrong in social, civil, criminal, political, and religious codes; equalizes the sexes; annuls the curse on man, and leaves nothing that can sin, suffer, be punished or destroyed" (p.340).

Santa Fe, N. M., was founded in 1605 by Spaniards.

Barbara Shockley Is City Clerk At Girls' State

Barbara Frances Shockley, 17, was elected clerk of Ramona, one of the 12 cities at the Seventh California Girls' State held June 21 to 29 at California Junior High School, Sacramento.

Barbara, daughter of Mr. and Mrs. Crawford W. Shockley of 191 W. Rincon Avenue, was sponsored at Girls' State by the Campbell American Legion Auxiliary Unit. She is a Campbell High School student.

Each auxiliary unit in California is permitted to sponsor a girl who is selected on the basis of citizenship, leadership, scholarship and character. Some units join forces to share the costs of sponsoring a girl, who will have an opportunity to return to her community and school next fall as a senior student, to make use of the practical lessons in government learned at Girls' State. There were 332 delegates in attendance this year.

During the week's activities, the girls organized city, county and state units of government, electing officers and establishing ordinances and laws for each.

Local Club Sends Two Delegates To BPW Convention

Delegates Gwendolyn Steindorf and Dorothy Ellis, together with other members of the Campbell Business and Professional Women's Club, will attend the biennial convention of the National Federation July 2 to 5 in San Francisco.

Convention plans were reviewed at the club dinner meeting Wednesday night in the Congregational Church. An excellent Spanish style dinner was served by the ladies of the Congregational Church guild.

Members plan to assist the Red Cross in managing a booth at the carnival given each year for the Palo Alto Veterans Administration Hospital. This year's party is scheduled for Saturday, July 15, from 1 to 4 p.m.

Mr. and Mrs. Ray Fish extended an invitation to the club to meet in their redwood patio at the rear of the What Not Gift Shop on the evening of July 12.

Lea Russo, Sister Of Local Man, Dies In San Jose

"...and of the independence of the United States of America The 174th"

DID YOU ever read a presidential proclamation? Ever look at a treaty—an act of Congress—an officer's commission—or other state paper? Could be we are wrong, but to our way of thinking the twelve most important words on any of these documents are the ones at the top of this page. You usually find them at the bottom of the paper following right after the phrase, "Done at the City of Washington in the Year A. D. 1950".

Why are these few words important? It is because of the fact that of all the governments that existed in the world in the year 1776, the United States government is just about the only one still standing today! All the other great powers of that time have undergone changes more or less violent. Spain, France, Russia, Italy, Germany, China, **Japan** are ruled or governed by an entirely diffeernt set of institutions than prevailed 174 years ago. Even the relatively stable British government has changed decade by decade from a tightly knit monarchy to a parliamentary commonwealth.

But the American government—even including some very significant changes in 1789, when the present Constitution was adopted—is today the same free, representative, balanced, republican form of government that it was the day after George III was figuratively banished from Independence Hall in Philadelphia. We, who sometimes still think of our country as a new country, might do well to realize that, as nations go, we are no longer young and untried. The fairness and justice of our free institutions, under which the private citizen is king, are amply proven by the fact that the United States almost alone in a troubled chaotic world is celebrating its 174th birthday this year in relative peace, stability and prosperity.

Trees Damaged By Weed Burning, Grange Learns

Plight of trees along Santa Clara-Los Gatos Highway was discused at the Orchard City Grange meeting Tuesday night in Campbell IOOF Hall. Many of the trees on the highway between Hacienda Avenue and Pollard Road were said to have been either injured or destroyed this spring during weed burning operations along the road side.

Charles Scarper reported that 114 trees are still alive and struggling for existence, and are badly in need of water. Grange Secretary Herbert Shadle was authorized to contact Dr. Earl Campbell, Fifth District Supervisor, for action to save the trees.

Thirty-three visitors were present for the session during which the Grange approved a resolution from Morgan Hill Grange that the groups demand inspection of incoming dried fruit assigned to federal markets, by local inspectors instead of federal representatives. At present the federal inspectors check out-going fruits, but the Grange does not want their functions extended to inspection of incoming fruits.

A committee was named to consider a osecond Morgan Hill resolution that the Grange oppose relief by issuance of cash and support relief by issuance of goods and food.

Mrs. Leona Keesling reported on the Grange Home Economics Club, stating that the pie social at the preceding meeting had cleared $25.45.

Levi Richmond of Gilroy won the hog ticket project. A hog feed will be held later and proceeds of the ticket sale will be added to the Grange hall fund.

Refreshments were served in the banquet hall, after which members enjoyed folk dancing to music recorded by Mervyn Keesling.

The production of cattle for meat is one of the oldest of human activities.

Hartley E. Jackson Succumbs Monday

Hartley E. Jackson, San Jose State college instructor and Campbell resident, died of a heart attack late Monday night at his home, 722 Fewtrell Drive.

Jackson, 64, was head of the college's printing department. He joined the San Jose faculty in 1940.

Recognized nationally as a graphic arts authority, Jackson, at the time of his death, was vice-president of the National Graphic Arts Associaton. He was a member of the Roxburghe Club, San Francisco, California Book Club, and Printing House Craftsmen, San Francisco.

Recently Jackson completed a new textbook now being published by McGraw-Hill Co. His most widely read text is "Newspaper Typography."

He was born in Camptonville, Calif., Nov. 24, 1886. He was the son of John Wellington and Bertha Robinson Jackson.

At the age of 19, Jackson entered Stanford University where he studied mechanical engineering for four years. Later he began working in the printing industry throughout the Bay area.

From 1930 to 1935 Jackson was typographic director and book designer for the Stanford Press. During the 1936 school year he remained at the university as an instructor.

Jackson is survived by his wife, Mrs. Stella Jackson, and four children; Hartley E. Jackson Jr. of Pasadena, Mrs. Elizabeth Daus and Miss Peggy Jackson, of Burlingame, and David Jackson of San Francisco. Jackson leaves one sister, Mrs. Lionel T. Lennox of San Francisco.

Private funeral services were conducted by the John E. Dowdle Mortuary, San Jose.

Montalvo Group Grants Scholarship; Announces Summer Play, Concert

The Montalvo Society announced at their annual meeting Saturday, June 24, at Villa Montalvo, that a scholarship had been granted to an art student for independent work this summer at Montalvo.

The fortunate recipient is Leslie Turner who has been enrolled at the California School of Fine Arts for the past year. The award was granted upon the recommendation of Mr. Park, director of summer sessions.

The Montalvo Society and Friends of Montalvo are sponsoring a number of events for the summer. Among these will be a concert by Adolph Baller, of the Alma Trio, and a play in the amphitheater.

At present, a loan exhibit of pictures from the Albert Bender collection of the San Francisco Art Museum is on display at the Little Gallery.

Through the courtesy of Mr. Henry Swift, president of the San Francisco Art Association, in granting necessary permission to the Montalvo Society, it will be possible for the society to hold exhibits throughout the summer. Dates for the concerts and exhibits will be announced in the near future.

In regard to the legal situation between the hPelan heirs, the San Francisco Art Association, and the Attorney General, with whom the Montalvo Society is associated in an effort to have Montalvo retained for use of the public, it was reported that although two hearings in the court of law and modecisions for the Attorney General, Mr. Delger Trowbridge, attorney for the Phelan heirs and trustees tions have resulted in favorable of the Phelan estate, is appealing the case in the appellate court. The hearing probably will be set for October.

Mrs. Robert C. Kirkwood was re-elected treasurer for both the Montalvo Society and for the Executive Committee of the Friends of Montalvo. Her report shows a generous response to the recent letter sent out requesting donations for the Friends of Montalvo. The generous local support of Montalvo is greatly strengthening the position of the Montalvo Society in San Francisco.

Mrs. Percy T. Hincks was re-elected president of Montalvo Society.

There are some repairs needed at the Villa Montalvo. However, the income from the endowment left by Senator Phelan for maintenance is sufficient for necessary repairs if all the annual income is spent on the Saratoga property.

Leon Terrys Beat Purple Knights Tuesday To Win Softball Honors

Leon Terrys, by winning five games as against no losses, captured first-half honors in the "A" Division of the Campbell Softball League. The San Jose squad clinched first place Tuesday evening by beating the Purple Knights, 7 to 2. For five innings, the Knights trailed by only one run, as they too struggled to keep their personal unbeaten streak intact. But in the sixth, the Terrymen blew the game wide open by scoring five times on five hits.

There is a possibility of a three-way tie for second place honors. Maderis Food Center and 5-Spot meet tonight in the crucial game determining who shares second spot with the Knights. A victory for Maderis would constitute the triple tie between the Food Center, Purple Knights and 5 Spot.

B DIVISION

In the Campbell "B" Division, Campbell Hardware and Bettencourts Market finished in a first-place tie. They will meet in a play-off during the week of July 3.

INVITATIONAL TOURNAMENT

Four local softball teams will play in the annual San Jose Invitational Tournament, starting within two weeks. Claiming the better teams of the Santa Clara County circuit, the tourney is regarded as one of the fastest in the state.

The following teams of nearby repute will participate: Maderis Food Center, Campbell; Mac's Market, Campbell; Davenport, Los Gatos, and Leon Terrys, San Jose.

NO LEAGUE GAMES

Due to the holidays there will be no games played this coming week in the Campbell Softball League. But the Western Gravel softball team will play its regularly scheduled Wednesday night game, July 5.

Holiday Weekend Race Events At S. J. Speedway

Three big Fourth of July week end auto racing programs are slated at the San Jose Speedway, it was announced today by Promoters Ray Leon and Joe Mastrini.

The CSCRA hardtop stock cars will roll Saturday night, a 100-lap midget race will be staged Monday night, and the 250-lap American Legion Sweepstakes stock car race will be presented Tuesday afternoon.

The midget race will be San Jose's first of the season over the banked quarter-mile asphalt track and will feature cars and drivers of the Bay Cities Racing Association.

Time trials for the Saturday and Monday night shows get underway with time trials at 7 p.m., while qualifying for the stock car event Tuesday starts at noon.

Junior Ball Loop Meets To Decide League Rulings

The recently formed Junior Softball league met this afternoon at the Campbell Elementary School field to determine schedules, ground rules, and other affiliated problems.

This new league is under the sponsorship of the Campbell High School.

Local Horsemen Join Mass Trek

Two local horsemen will participate in the holiday week-end equestrian jaunt from Los Gatos to Watsonville.

Ira Grim and Bert Burda, members of the Los Gatos Gymkhana Association, will represent Campbell horsemen when a group of riders leave Los Gatos Saturday afternoon for Watsonville, some 50 miles away.

The route will be over the old stage coach road to Alma, old Santa Cruz and Soquel roads. The riders will camp at the 4-H camp on Highland Way. They are scheduled to ride into Watsonville Sunday evening.

Many will take part in the horse show Tuesday at the Santa Cruz County Fairgrounds.

Adopting Wildlife Is Strictly Taboo, Gets You A Fine And Prison, Too

When it comes to little animals, be they city pets, or wildlife, we Americans have a strange, powerful affection.

With vacation time upon us and many Campbell residents making off for the mountains, seashore, and many national parks, this animal kinship prevails stronger than ever.

According to the Division of Fish and Game, scores of well-meaning, big-hearted persons will adopt "lost" deer, birds, and bears found in the woods and surrounding brushland.

Experience has shown that the new parents are in for it. Fawns and bear cubs are ungrateful rascals. The price of ruined garden shrubs and debarked trees is too high in return for any domestic pet.

The financial loss suffered at home may be trivial indeed if the State agency discovers any wildlife in the possession of an outdoorsman. California has the highest sentence in the nation for the possession of deer, any size, out of season—$500 fine and six months in jail.

But more important, says the division, the young animal released once more into his natural habitat will find himself "exiled" by all wildlife, parents included. Once a fawn or cub becomes saturated with the scent of man, he is literally an outcast.

All vacationists, from youngest to the oldest, becomes momentarily tempted upon espying a seeming orphan of the woods.

For the sake of the animal, but primarily for his own benefit, Mr. Vacationer should maintain a "hands-off" policy.

Isn't it funny?
That so many
Business men
Will get up in the morning
Shave with an advertised razor,
And advertised soap,
Put on advertised underwear
Advertised hose, shirt, collar,
Tie, shoes and suit;
And eat advertised breakfast food,
Drink advertised coffee or
Substitutes,
Light an advertised cigar,
Go to their places of business in an advertised automobile.
Read advertised books and magazines enroute to the advertised office building,
Eat lunch at an advertised restaurant,
Attend advertised places of amusement,
And patronize dozens of other places and commodities, luxuries and what not—all advertised.
And then,
Turn down an advertising plan
On the ground
That advertising doesn't pay?
Isn't it funny?
Everybody knows about and eats hen eggs — every time a hen lays an egg, she cackles. The event is well advertised.
But few persons know about and eat goose eggs—Geese do not cackle, crow or quack to advertise the laying of their eggs; therefore but few people know about them.

Campbell Players Help Team Gain Softball Laurels

Led by four Campbell players, the Church of the Good Shepherd (Lutheran) softball team won the first half of the San Jose Church league Monday night.

The three Nelson brothers, Clarence, Milt and Lloyd, and Kay Borg proved to be vital cogs in the Lutheran winning wheel.

Noted for their yearly potent squads, the Church of the Good Shepherd dropped only one game out of seven enroute to the top of the standings.

Playing in a Class A league, highly regarded for its sharp pitching and equally adept fielding, the Lutheran clan will be out to cop the second half championship. If so, no play-off will be necessary. Last year, Nelson Bros. and Co. won one half of the league, ala this year, but lost in the final championship game.

Gilroy To Hold Annual Roundup

Registrations are being accepted for Gilroy's 17th annual Roundup and Gymkhana July 16 at Wheeler Field. Entries close at 7 p.m. July 14.

There will be a total of 18 events, six in the arena and 12 on the track. In the oval will be brahma-bull riding, bronc riding, team roping, bull dogging, calf roping and bareback bronc riding.

Track events will include cow-horse, stallion class judging, best display of two horses, best junior cowgirl, junior cowboy, best cow-horse and cowgirl, best cow horse, open class; best working hackamore horse, best cowboy and best cowgirl, horse and working outfit; best palomino, best appearing horse, rider and silver equipment and the hectic wild horse race.

A huge night parade will be held Friday night. The parade containing floats and marching units from several central California communities will wind its way down Monterey Street to Wheeler Auditorium where a cowboy dance Sunday will contain many of the will be held. The mounted parade West's outstanding riders and mounted groups, including at least three Sheriffs' posses.

POPULAR RECORDS: Tony Martin and Fran Warren take off tandem style on AN ORDINARY BROOM (Victor 20-3777). The duo do some great tonsilling on this cute novelty tune with a romantic twist. The flip I THEENK is also a romantic novelty with a dash of Latin added for flavor.

Dinah Shore and Gene Autry team up on some wax styled in the religious vein—THE OLD RUGGED CROSS and IN THE GARDEN (Columbia 38828), this is pretty drooly stuff as they sing it, but the harmony and blend of voices is good.

Spelling song continue to find favor — at least everyone will know how to spell MISSISSIPPI before this tune dies out. Ella Fitzgerald gives one of the best performances on this ditty (Decca 27061). The Four Hits & A Miss add their efforts to Ella's elegant purring.

This kind of weather brings the thought of picnics to my mind so a new record called THE PICNIC SONG rather hit the spot. Teresa Brewer, Snookly Lanson, Claire Hogan and Bobby Wayne extol the praises of country eating in merry fashion (London 696.)

The super song-salesman Frankie Laine offers six of his best efforts in a new non-breakable package titled SONGS FROM THE HEART (Mercury A181). Mood for Love; Cheri, I Love You; You're Wonderful; Exactly Like You; Rockin' Chair and Till We Meet Again are the songs and Frankie is right at home with both the ballads and the rhythm tunes. If you are a Laine fan, don't miss these.

CHILDREN'S RECORDS: "The Bing Crosby of the sand-pile set," Frank Luther, offers two captivating songs for the young of all ages on his latest disc—BRUMAN (THE ROLY POLY BEAR) and PUDGY THE WHISTLING PIGGY (Decca K-4). Simple, appealing, instructive and fun are the words most often thought of in connection with Frank Luther's children's records and these same few words aptly describe his latest record.

CLASSICAL RECORDS: Leroy Anderson, who is responsible for such delightful compositions as Fiddle-Faddle, Chicken Reel, Jazz Pizzicato, Jazz Legato and others of like nature, has now taken six Irish Airs whose varied sentiments provide a colorful, representative glimpse into the very soul of the Emerald Isle and strung them together into a wholly charming IRISH SUITE. The Boston Pops Orchestra with Arthur Fiedler conducting play this picturesque orchestral setting of Irish Folk Music with their usual flair and finesse (Victor WDM 1348).

Tchaikovsky's great gifts of lovely melody and exquisite coloring are nowhere more evident than in his VIOLIN CONCERTO IN D MAJOR, Op. 35. A new recording of this trusty war horse that so many violinists have ridden to fame is offered by Ruggiero Ricco, violinist and the New Symphony Orchestra conducted by Sir Malcolm Sargent (London LLP 172). This is a beautiful recording with all the well-known virtues of FFRR—beautiful clean sound, full rich orchestra, veritable timbre of the solo instrument. This concerto is a stupendously difficult virtuoso work and Ricci plays with impeccable detail and superb incisiveness. It is hard to realize that on the first performance of this concerto the German critic Edward Hanslick wrote—"Friedrich Fisher, describing lascivious paintings, once said there were pictures one could see stink. Tchakovsky's Violin Concerto brings us face to face for the first time with the revolting idea: may there not also be musical compositions which we can hear stink?"

Franz Schubert: SYMPHONY NO. 7 in C MAJOR 'THE GREAT' is beautifully performed by the Concertgebouw Orchestra of Amsterdam with Willem Mengelberg conducting. The symphony, written during the last year of Schubert's life, is often called the Ninth so you will find that while most European recordings list the C Major Symphony as the Seventh, many of the American recordings will list it as the Ninth. There is majestic force, dominating and compelling utterance in this Symphony that the earlier works of Schubert lack but the picturesque rhythmic figures and key phrases, melodic lines and harmonic colors that make all of Schubert's works so appealing are also present in this symphony. Mengelberg is at his best in this work of Schubert, the strings are clean and true, the brass bright and forceful in timbre. The composer, Robert Schumann, wrote of this work—"anyone who does not know this symphony knows very little about Schubert. On hearing it, I see Vienna before me and understand why such works come to being in these surroundings."

Grange Members Visit HEC Clubs In Nearby Towns

Several members of the Santa Clara Pomona Grange Home Economics Club attended meetings of affiliated clubs in nearby communities earlier this month.

The following members attended the San Benito County club meeting on the 11th of this month: Florence Sheffer, fifth district chairman; Lulu Belle King, San Jose chairman; Lucille Paroline, Morgan Hill chairman; Effie Spencer, Almaden Grange Master; and Dollie McAllister of Cupertino.

On June 19 a group of HEC members attended the meeting of the Santa Cruz club held at Live Oak high school with chairman Ann Pollitt presiding. Those present from the local grange were: Elizabeth Wood, Effie Spencer, Florence Sheffer, and Lulu Belle King.

Mrs. Spencer entertained at both affairs with vocal solos. Mrs. Sheffer spoke about HEC work as a whole. She was impressed with the progress of the clubs she visited. Mrs. King talked about the Golden Rule Committee and its beneficial results.

Novitiate Hearing Is Postponed

Hearing on application of the Sisters of the Presentation for a use permit to establish a novitiate in Vasona Heights was postponed last week by the County Planning Commission at request of the applicant. The hearing was set over to August 16. Property is located between Wildway and the Southern Pacific right-of-way.

Planners denied application of Rockgas Service Company for a use permit to construct and maintain a distributing plant on the west side of Saratoga-Sunnyvale Road between Cottle Avenue and Sharon Drive. Neighboring property owners appeared in protest of the application and the commission agreed that the plant would constitute a fire hazard to nearby residences and a gas station.

Resolution of intention to reclassify to light commercial zoning property in El Quito Park subdivision was filed by Lionel J. Tilson and Philip S. San filippo. Property is between Saratoga Avenue and Quito Road south of the intersection thereof and north of Pasco Cerro of El Quito Park.

PTA GROUP CONDUCTS WORKSHOP

A council workshop was held by the El Paradiso Council PTA last week at the Moreland Elementary school. A split session was presided over by Mrs. R. H. Allinger, president of the group.

Highlight of the afternoon session was a report by Mrs. J. W. Knowles who attended the National Convention of Parents and Teachers held at Long Beach. Mrs. Knowles attended the convention as official representative of El Paradiso Council mothersingers.

Mrs. H. C. Grimes, president of the Sixth District, was a guest at the workshop.

The council, inactive during the summer months, will reconvene on September 22, at the Burbank Youth Center. Tentative time of the meeting is set for 10 a.m. to noon.

During last week's gathering, Mrs. R. W. Martin led the group in several songs. Midway, a potluck luncheon was served with Mrs. K. L. Bitzer, president of the Moreland unit, acting as hostess.

Burglars Cart Off Bedroom Furniture

All furnishings of one bedroom of the model home in the Felton Tract subdivision, Saratoga-Sunnyvale Road, were stolen by burglars Monday night, realtor W. B. Melone revealed this week.

Melone said the burglers evidently backed a trailer up to the house and transferred the entire contents of one of the rooms to the conveyance. They also took miscellaneous articles from other rooms of the 2-bedroom house.

Aid In Visitation Evangelism Drive

Four local ministers are active in the current Visitation Evangelism Campaign, sponsored by the San Jose Council of Churches and San Jose District Ministerial Association.

The Revs. Lawrence Osborne and R. E. Olds of Campbell, E. T. Ferry of Cupertino, and Gordon L. King of Saratoga have pledged to work in the campaign.

Dr. Mahlon B. Young, director of the drive, spoke Friday at the Association's monthly meeting

Folk Dance Festival

The folk dancing Sara-Cats of Saratoga and Los Gatos will be hosts to an expected 2000 folk dancers representing the northern division of the California Folk Dance Federation at a festival to be held on July 9 on the terrace of Los Gatos High School.

Los Gatos Square Dancers and Redwood Estates Mountaineers will assist the Sara-Cats with the "Rainbow Jubilee" festival. Sara-Cats president James White is the festival chairman.

America, deeply inhaling the fumes of easy money, full production, expanding business—and inflation— is brimming with hopefullness of prosperity..

Remove the ominous shadow of the cold war and the mental reservations of many Americans concerning the healthy state of the economy undoubtedly would dissipate.

It must have come as a shock to a great many people when W. C. Mullendore, President of Southern California Edison Company recently warned that the country was in the "most dangerous and unsound boom in history".

When Mullendore declared that ours is a "phoney prosperity"— and it is financed by government guarantee of unsound business by legal counterfeiting and by confiscation of savings through inflation" there must have been many who, while believing the evidence, disbelieved the conclusion.

Is it a "phoney prosperity"?

For some time past the prosperity enjoyed by the farmer has been slipping in relation to conditions elsewhere. Cash receipts have slumped while farm expenses have not. Consequently net farm income has dropped sharply.

If America accepts the fact—clearly depicted in years gone by —that a collapse on the farm bodes ill in the city, then the economic trends recently published in "The Agricultural Situation" by the U.S. Department of Agriculture, should prove vitally interesting.

First, the average earnings of factory workers have skyrocketed form a 1910—14 average of 100 to 491. During the war years of 1940—44, factory earnings averaged 315. In the language of dollars and cents, that simply means that prices must have increased since the war, a fact which nearly everyone is familiar.

With prices and wages going up in the city, "The Agriculnral Situation" reports that just the opposite is happening on the farm. Prices received by farmers have tumbled.

Prices received by farmers for food grains are down 43 points form the 1947 high; for feed grains and hay, down 69 points; for cotton, down 30 points.

On the average, prices received by farmers for all crops and livestock are down from a 1948 high of 285 to 241.

Figures are dry and uninteresting only when they do not affect an individual's income. Those noted above mean that prices farmers receive are expected to fall, on an average, approximately a tenth below 1949.

"The combined effects of falling prices and rigid costs," The Agricultural Situation points out, "will again mean a sharp drop in the net income of farm operators; probably about as much as last year. This would leave net income about a third below the peak reached in 1947!

"Outside of agriculture," the Department of Agriculture publication states, "economic activity has continued at high levels. Output of automobiles and other durable goods has been increasing. Production of non-durables is near the postwar peak. Construction, sparked by an upsurge in home building, has been at a record pace. Employment continues at high levels. Consumer income . . has been supporting consumer buying at a near record rate."

By the end of the year a downturn may be in evidence, The Agricultural Situation concludes.

At present, all these factors mean that farmers will receive lower prices for the goods they sell, while continuing to pay near peak prices for the goods they buy.

Not that a complete farm price collapse is in the offing, but agriculture has slipped far down from the peak of its prosperity. If the lessons of the past are a criterion, an industrial recession will follow any real farm collapse.

Couple the agricultural situation with Mr. Mullendore's remarks and it is double improtant to take a careful look at America's seeming prosperity. It is well to remember, too, that there is little percentage in hiding behind rose-colored glasses.

Ladies Preside At Monthly Grange Session

The ladies prevailed at the semi-monthly meeting of the Cupertino Grange 739, held Friday, June 23, at the Odd Fellows Hall. All offices were filled by the ladies for the evening session with acting Master Florence Sheffer presiding.

Mr. Paul Bean and Mrs. Amy Bean, acting Lecturer, were honored during the evening on the occasion of their 30th wedding anniversary.

Many visitors were present from Mountain View, Sunnyvale, Mt. Hamilton, Almaden, Orchard City and San Jose granges. Among the guests escorted to seats of honor were Mr. and Mrs. Frank Bishop of Mt. Hamilton, Robert and Effie Spencer of Almaden, Ray Hayes of Mountain View and John Gordon of Pomona.

George Loyst and John Breeding reported for the Agriculture Committee with the water scarcity and cultivation their respective topics.

Myrtle Abbott, San Jose, and Martha McAllister, Cupertino, offered piano solos as part of the versatile program presented by Mrs. Bean. A black face skit, under the direction of Lecturer Elsie Eaton, Mountain View, was greeted with equal enthusiasm. Comedy parodies and similar songs were offered by Gladys Spinks, Josephine Clouser, Eldora McCarty, Irene Jensen and David Bentz.

The Farmer in the Dell was presented by a group of Cupertino members. They were Marian Wallin, Freida Angelo, Maxine Grevstad, Tillie Loyst, Ella Breeding, Louise Bartlett and Norene and Judy Grevstad.

Colorful decorations and refreshments were handled by the following committees: general chairman, Florence Sheffer; floral arrangement and decoraotion, Marian Wallin, Maxine Grevstad, Ella Breeding, Tillie Loyst and Amy Bean; refreshments, Elizabeth Wood, Nella Seevers, Dollie McAllister and Frieda Angelo.
